### **WHEEL OF FORTUNE**

This year you have the chance to take part in the new Mountain Attack Retro WHEEL OF FORTUNE directly at the start number collection. All you have to do is follow us on  
Instagram (@mountainattack1999). Every participant wins!

## **PARTICIPANT LOUNGE – all you can eat & drink**

For a one-off fee of €15, you can enjoy pasta at the pasta party with salad buffet, drinks from EDELWEISS and RED BULL (non-alcoholic and alcoholic), as well as fruit and coffee from Segafredo in the participants' lounge. The participant lounge is located in the finish area at the parking lot of the Schattberg X-Press and is open on race day from 11:30 - 14:30 and 17:00 - 22:00. The wristband, which entitles the holder to multiple entries during the opening hours, must be worn on the wrist. Without the wristband, admission must be paid again.

**If you are still looking for a lightweight and warm ski touring jacket, the La Sportiva Lumina Series is the right choice.** Lumina offers maximum warmth at minimum weight. Thanks to 1000 Fill Power and robust Pertex® Quantum Diamond Fuse, the jacket compresses down to the size of an apple – perfect for weight-conscious alpinists. The ultimate warmth-to-weight ratio.

**To maintain optimal vision during training, you need the perfect sports eyewear.** PERFECT FIT KNOWS NO BOUNDS – Fits. Period. For evil eye, the perfect fit is a central brand promise. Since August 2025, this has been expanded even further: The proven models *roadsense*, *trailsense*, and *trailsense II* are now also available in size XS. This bridges a gap specifically for young athletes and sports enthusiasts with narrow faces and high demands.

We look forward to seeing you again and to a great race on 16 January 2026  
in Saalbach-Hinterglemm!
